Motion to accept Stacey Mutimer's resignation as a board member was moved by Natassia and Melissa second it.

New Business:

Feedback on Calendar- was mostly positive feedback, division can update the calendar based on SCC feedback. Julie asked about SIP days being placed around school breaks to extend holidays for students.

School Closure- was brought up about students coming home and commenting on the potential closing of Arborfield School this is a concern of parents.

Patrick noted the review process for schools has not begun, will start in October 2022, no future for the school has been decided

Currently three options on the table, first to remain a K-12, second complete closure, three grade discontinuous. If the SCC would like to speak in favour of one of the three options they can draft a letter and address it to the board chair, Kevin Graham and director Don Rempel(a new director will be in place April 2022)

If parents are wanting to send their kids to a new school next year, Patrick needs to sign off on it and approve it.

Bussing will likely NOT be provided for students to attend a new school, would be parents responsibilities.

Motion to accept Melissa as signing authority for the SCC moved by Kelly and Chelsea second it all in favor

Constitution:

Mission and Vision needs to be updated as it is still the old one, SCC responsibility to act on behalf of the school community, SCC is required to have at least 6

representatives . Patrick discussed the constitution including the duties/
responsibilities of the SCC.

Next meeting date is Tuesday March 15, 2022 at 12:20 pm via Zoom
