SRC Report- Mr. Smoke gave the SRC report on behalf of Jayden. We have \$3736.77 in the account. The SRC has done many activities for the students, from dress up sports day, banana split day and also did a high school field trip to Nipawin where they went to the sports simulator and bought pizza for students. The month is going by quickly they might plan other events but with limited time, exams and other things planned not sure if activities from SRC will be done.

Principal Report- We currently have 75 students 49 in elementary and 26 from grades 7-12. We have in our school funds \$3153.26. Our students have been busy the last few weeks, the elementary had their track n field in Bjorkdale, kids had fun and some met up with their school pen pals, the elementary students went to Melfort and went swimming and bowling was lots of fun for all. Brody Lebel represented Arborfield School in Provincial Track meet, he did very well beat his own personal best. The highschool students went to Nipawin to the new sports simulator had lots of fun and pizza supplied by our SRC. Awards day was held on June 13, Arborfield Grad is June 17 with Tyson, Jayden and Torie graduating. Patrick will read the SCC speech as nobody is available to do so that afternoon. On June 21 is the last assembly of the year and family/student barbeque to follow. On June 23 is Kindergarten Grad, June 27 grades 4-8 are going to Batoche and Fort Carlton, June 28 is last day of school and Report Cards are June 30. Patrick thanked the SCC for the garden boxes that were done up at the school, the elementary students planted them. Jayden is done on the SRC as he is graduating.

Other Business- Mavis asked about some clarification on the money we receive for school the division supplies money for academics like field trips, sports and texts books. We could possibly use some of this money come fall to get guest speakers for drug and alcohol and for mental health. The school generated funds is the funds we get from fundraising like Mom's Pantry for example, so SRC and school generated are all from same account. We discussed Kindergarten graduation, as each year we purchase the kindergarten class T-Shirts, Mrs. Curtis purchased the shirts so Patrick will get her to submit the bill to Julie. For the SRC barbecue on the 21 we need to contact Mrs. Schmidt to see what the SCC can do to help out. Julie made a motion to

purchase some gardening tools and water cans for students to use and Natassia second it.

Next Meeting will be for September 6, 2022, then we can discuss a date for AGM as we would like to start doing them at start of school year.

Meeting adjourned at 12:58 pm

Have A Great Summer Everyone !!!!!
