- 5- Principal report- Patrick will send copy to put with minutes
- 6- SCC Chairperson report- Patrick read it out Julie made the motion to accept the SCC report, Natassia second it

7- Question and Answers

Sports was discussed concerns over intermurals during noon hour, need someone to supervise kids, will see if parents can if teachers are not able too. For parent to do so will need criminal record check done. For Overall sports in school we need to send in an agreement for every team and every sport we are playing to the SHSA for approval. If our teams once registered do not play/participate the school gets fined per game not played. Always looking for coaches as teachers are not always able to coach.

Microwave for the elementary students to use was asked, due to fire code violations the microwaves can't be in hallways, it's a hassle to have them. This is across the whole NESD , so microwaves won't be available for elementary students to be used.

Student paper was brought up parents want to see kids more involved in school so possibly have a student or two per grade per month write up events they did and send it out to parents like highlights etc This would be from grade 1 to grade 12.

8- Resignations and Nominations for SCC Board-Lina Ralph resigned as Chairperson in May Nominations for Chairperson was Natassia Chudyk accepted the position, Stacey second it all in favor, Treasurer stayed the same Julie Gray, Secretary stayed the same Mavis McCrea. Stacey Mutimer staying on as board member New board members joining Chelsea Edwards and Kelly Law

Patrick would like to see the AGM in September we will move forward with that.

Next Regular Meeting is Jan 7,2022 @12:20pm
